

# YOUR TO DO LIST

- Make an appointment with your vet within 1 week from take home date.
- Register your puppy's Microchip with AKC Reunite OR Fi Nano (After pick-out appointment)
- Have confirmation email readily available to prove registration has been completed BEFORE pick-up.
- Order your Nuvet vitamins. This will help boost your puppy's immunity while being exposed to other animals and natures of the world.
- Get your puppy food. Iams Puppy (Large Breed)
- Large breed crate WITH DIVIDER (Ocean state job lot has the best pricing)
- Stock up on toys. Chews (Bully sticks), Kongs, Squeakers and teething toys are recommended. Never rawhide!
- Research Trupanion Pet Insurance (Highly Recommended) Will be sent home with 30days of FREE Pet Insurance Offer. To be activated day of take home.
- READ your Puppy 101. I made it for a reason. When you think you have read it enough, then read it 6 more times. Study it. I will be testing you!
